FGBC Committee Sign-up Form

Committees are the lifeblood of a successful organization. Their members do the real work of the organization and they are indispensable to an organization's success. We encourage every member to take an active part in at least one committee. Remember that you only get out what you put into an organization and our strength depends on your involvement.

If you are interested in serving on a committee, please complete the “**FGBC Committee Sign-up Form**” below and return it along with your Membership Application.

FGBC has two categories of Committees: **Standing Committees**, which are established by the Bylaws; and Working Committees, which operate under a Standing committee and are established by the Board of Directors to accomplish specific tasks.

Education Committee: Responsible for developing educational materials and programs that can be promoted to members, industry and the public. Oversees the following working committees

GreenTrends Conference

Speakers' Bureau

Nominating: Oversees the FGBC election processes.

Research & Technical: Provides research, technical review and recommendations on certification criteria to the Standards Committee to ensure accuracy within each of the Standards.

Program & Promotion: Responsible for membership development, communication strategies and the marketing of the organization's programs. Oversees the following working committees.

Awards & Recognition

Partnership Program with other organizations

Membership Development

Fund Raising (Grants, Gifts, Sponsorships, Etc.)

Standards: Responsible for the oversight of the standards development process, compliance with the Standards policies, and the annual review of modifications to the Standards such that the Standards remain competitive, technically accurate and incorporate best management practices. Oversees the following working committees.

Green Homes

Green Commercial Buildings

Green Developments

Green Local Government (cities and counties)

Green Affordable Housing

Green High Rise Residential
