As the FGBC, Inc. Project Evaluator for this project, I hereby disclose that I do not have the following potential financial interest(s) in the outcome of this designation.

- I have no potential financial interest in the results of the designation on this project.
- I am neither part of the design team of this project nor employed by any company or organization that is part of the design team.
- I am neither the builder nor the employee of the builder of this project.
- I am not the contractor, a sub-contractor, or an employee of the contractor or a subcontractor for this project.
- I am not the seller or agent of seller, or an employee of the seller or agent of seller for this project.
- I am neither the mortgagor nor an employee of the mortgagor for some portion of the financed payments on this project.
- I am not an employee, contractor, or consultant of the electric, natural gas, or water utility serving this project.
- I am not an owner, partner, officer, or employee of a company that may choose to supply or install or offer to bid to supply or install improvements to this project.
- I am not a manufacturer, supplier, or employee of a manufacturer or supplier that may be used to improve the efficiency of this project. If not checked, please specify all products involved:

- However, I have some other potential financial interest in the results of this rating (fully specify the nature of the financial interest on an attached sheet).
