FGBC Committee Sign-up Form

Committees are the lifeblood of a successful organization. Their members do the real work of the organization and they are indispensable to an organization's success. We encourage every member to take an active part in at least one committee. Remember that you only get out what you put into an organization and our strength depends on your involvement.

If you are interested in serving on a committee, please complete the “**FGBC Committee Sign-up Form**” below and return it along with your Membership Application.

FGBC has two categories of Committees: **Standing Committees**, which are established by the Bylaws; and Working Committees, which operate under a Standing committee and are established by the Board of Directors to accomplish specific tasks.

Education Committee: Responsible for developing educational materials and programs that can be promoted to members, industry and the public.

Nominating: Oversees the FGBC election processes.

Program & Promotion: Responsible for membership development, communication strategies, website maintenance and the marketing of the organization's programs

Legislative: Responsible for monitoring, communicating and advocating on legislative issues of interest to FGBC.

Realty, Appraisers, Builders Outreach: Responsible for developing programs to increase awareness of the importance of Builders, Realtors and Appraisers in understanding the added value of high- performance systems for residential and commercial projects during the marketing, sales and appraisal stages of a transaction.

Standards: Responsible for the oversight of the standards development process, compliance with the Standards policies, and the annual review of modifications to the Standards such that the Standards remain competitive, technically accurate and incorporate best management practices. Oversees the following working committees.

- Green Homes
- Green Commercial Buildings
- Green Developments
- Green Local Government (cities and counties)
- Green High Rise Residential
